

In-Lid Solutions

- Convenient packaging ON-THE-GO

Why use In-Lid Solutions from SKY-LIGHT?

We offer:

- Customized labelling of the lids
- Sustainable packaging with lids of up to 100% rPET - and still transparent or any other colour of your specification
- 100% approved for food contact
- NEW innovative single-use cutlery in 100% cardboard – Zero plastic

The possibilities are many

- In-Lid Solutions are suitable for:

- Single-use cutlery for ON-THE-GO products such as yoghurt, salads, and fruit
- Single-use stirrers for ON-THE-GO beverages such as smoothies and coffee
- Promotional campaigns with small gift, stickers or collectibles
- Information leaflets
